

COMPANY OF THE YEAR – CERTIFIED AWARD CRITERIA

The Certified Company of the Year Award recognises superior performance across a comprehensive range of business metrics including: innovation, quality assurance, corporate social responsibility, health and safety. The company must be certified to at least one of AS/NZS ISO 3834, AS/NZS 5131, EN 15085, or DIN 2303.

You must be a current 2026 Weld Australia member to apply for this award. If you are unsure about your membership status or would like to join, please email membership@weldaustralia.com.au or phone David Choudry (Membership Manager) on 0417 878 104.

You will need the following information on hand to complete your online entry form. The online entry form can be accessed via: <https://weldaustralia.com.au/2026-welding-excellence-awards/>

Photos

Please upload at least three photos. These photos could feature your facilities, team, projects or products. These photos will be used for promotional purposes, including but not limited to: PowerPoint presentations at event ceremonies, in Weld Australia's newsletters, EDMs, magazines, social media and website. By uploading photos, you confirm that you have the permission of all people photographed for their use in promotional purposes. Please note that the files must be either a JPEG or a PNG. The file must also be over 1MG in size, but the larger the better.

Logo

Please upload your company's logo. Again, this logo will be used for promotional purposes and must be supplied as a high-resolution format JPEG, PNG or EPS.

Overview (500 words maximum)

Please provide an overview of the company. This should include details of the company's history; a summary of services, capabilities, sectors and clients; and any major achievements. It should also summarise why the company deserves to win the award.

AWARD CRITERIA

Certification and Quality Excellence (500 words maximum)

Outline your company's approach to certification and quality assurance. This should include details of certification to AS/NZS ISO 3834, AS/NZS 5131, EN 15085, or DIN 2303, and how these certifications are implemented in practice to ensure consistent, high-quality outcomes.

Quality Assurance and Health & Safety (500 words maximum)

Outline how your company ensures quality in all its work, as well as health and safety performance. Consider factors such as qualifications and certifications, and policies and procedures.

Innovation (500 words maximum)

Outline how your company demonstrates innovation. Consider factors such as automation, robotics, digitalisation, Industry 4.0, and the implementation of new techniques, processes or technologies that improve productivity and quality.

Corporate Social Responsibility (500 words maximum)

Outline your company's activities and achievements in corporate social responsibility, including (but not limited to) community engagement, diversity, volunteering, employee policies, and charitable giving.

Other Qualities and Pursuits (300 words maximum) - *Optional*

Please include any other information that may be relevant to the award, such as the company's involvement in community activities, industry activities, and other awards and achievements.
