

# 50% OFF TRAINING IN MACKAY ENROL NOW →

Weld Australia is partnering with Manufacturing Skills Queensland (MSQ) to deliver AS 1796 and AS 2214 Welding Supervisor training and ISO 9606 welder certification across Queensland in 2026.

MSQ will fund 50% of training costs for eligible participants, providing a cost-effective pathway to build workforce capability and strengthen compliance across welding operations.

## FUNDING ELIGIBILITY

### Participants:

- Must be an employee of a Queensland manufacturing business.
- Must meet the prerequisites for training.
- Must reside in Queensland.

### Businesses:

- Must be a Queensland manufacturing business with less than 200 employees.
- To apply for the funding as a business, please confirm your number of employees and manufacturing capabilities.

## WHY WELD AUSTRALIA?

Weld Australia is the nation's leading welding training and certification body—trusted by industry to build skills that last. We deliver practical, job-ready training through face-to-face, online and blended learning, designed to strengthen capability, boost compliance and expand career opportunities. As an International Institute of Welding (IIW) Authorised National Body (ANB) and Authorised Training Body (ATB), we offer qualifications recognised around the world.
